YOGESWEREN
JATHURSHAN

About Me

I am Y. Jathusdhan, an enthusiastic and hardworking undergraduate with a strong ambition to become a Software Engineer. I have a keen interest in UI/UX design, web development, and mobile app development. I am passionate about learning new technologies, problem-solving, and creating user-friendly solutions.

Experience

UI/UX Designer – Food App (Personal Project)
- Designed user-friendly interfaces for a mobile food ordering app using Figma.
- Created main screens, menus, and interactive prototypes.
- Focused on intuitive navigation, clean design, and usability.

Web Development – Bus Timetable Website
- Developed a functional web interface for checking bus schedules.
- Implemented search functionality, responsive layout, and user-friendly navigation.
- Applied HTML, CSS, and basic JavaScript for interactive elements.

Other Projects / Experience
- Created cartoon-style illustrations, buttons, and banners for digital content.
- Freelance small-scale UI/UX and design tasks for personal practice.
